INTERNATIONAL SYMPOSIUM ON SORPTION AND EXTRACTION

*September 29- October 4, 2008
Vladivostok, Russia*

Second Circular

In September 2008 the Institute of Chemistry of FEB RAS, under auspice of the Scientific Council of RAS on Analytical Chemistry, Scientific Council of RAS on Adsorption and Chromatography, Scientific Council of RAS on Fundamentals of Chemical Technology, organizes an International Symposium on Sorption and Extraction.

The Symposium will summarize achievements and developments of the fundamental and applied researches in the field of sorption and extraction and discuss new trends and prospects of their technological applications in the first quarter of XXI century, including applications in nuclear and analytical chemistry.

Scope of the Symposium

- [New sorption and extraction systems](#)
- [Sorption and extraction in hydrometallurgy](#)
- [Sorption and extraction in analytical chemistry](#)
- [Sorption and extraction in producing inorganic substances and materials](#)

Registration fee

Registration fee shall be paid on site. The sum of registration fee is US\$ 300. For students and post-graduated students the sum of registration fee is US\$ 150.

Symposium venue and accommodation

“Russ” hotel:
